Honorable Cardiss Collins
House of Representatives
2308 Rayburn House Office Building
Washington, DC 20515-1307

Dear Congresswoman Collins:

Thank you for your comments concerning the EEO provisions of the Cable Television Consumer Protection and Competition Act of 1992. You urge that the Commission enforce the EEO provisions to the full extent authorized by Congress and that video dialtone services should be subject to EEO requirements.

We are most sensitive to the interest of Congress in this area and our current EEO proceeding, **MM Docket No. 92-261**, seeks comment on the definition of "multichannel video programming distributors." Your letter to me will be placed in the record of ~~this proceeding so that the Full Commission can be mindful of~~
